

## Write-in Candidates - 2000

Candidates may be nominated or elected, if applicable, to any office at the Primary Election by fulfilling the requirements of Part 3 of Division 8 of the Elections Code, commencing at Section 8600.

In order to be nominated to any partisan office, the write-in candidate must receive more votes than any other candidate running for that party's nomination, and must also receive votes equal to at least 1% of all votes cast for that office at the last preceding general election at which the office was filled.

The minimum number of votes required to obtain the write-in nomination, as specified by Section 8605(a), is set forth below.
